Dear Parent / Carer,

Re: Year 10 Parents' Evening (0048-25JLE)

Year 10 Parents' Evening will take place in school on Thursday 12th February 2026, from 4:00pm to 6:30pm.

This is a fantastic opportunity to meet with your child's teachers to discuss their progress throughout the academic year and to find out the areas of focus for the remainder of the academic year. On the evening, parents / carers and pupils will be able to collect a printed report from reception.

For specific pupils, there will also be the opportunity to meet with Miss Howlett, DSL and Mental Health Lead, and members of our SENDCo Team.

Furthermore, we have invited a range of representatives from local colleges, apprenticeship and training providers and hope they will join us to offer information, advice, and guidance on post-16 options.

As this event is face-to-face, appointments are not required. However, we do expect a high attendance and therefore advise parents / carers to arrive as early as possible to ensure you are able to meet with as many of your child's teachers as possible. We encourage pupils to attend with their parents / carers. If pupils are not attending, please ask your child for a list of their teachers.

As we do not have a large waiting area, we kindly ask that you do not arrive before 3.55pm; arrival before this time may mean you are required to queue outside. If you have any questions or would like more information regarding the event, please do not hesitate to contact the school via main reception on Tel: 01325 380815 or email enquiries@longfield.nalp.org.uk

Yours sincerely,

Mrs J Leverton
Assistant Headteacher
