

13<sup>th</sup> February 2026

Dear Parent / Carer,

**Re: Year 11 Updates (REF: 0053-25SMC)**

**Y11 Mock Results**

We would like to congratulate our Year 11 pupils on completing their mock examination series. Pupils demonstrated focus, resilience and commitment throughout and should be proud of their achievements. Recently, Year 11 took part in a mock results morning, where they received their results, reflected on their progress, and were rewarded in recognition of their hard work and positive approach.

**Y11 Intervention**

As pupils move towards their summer examinations, regular attendance at intervention sessions is extremely important. The effort they continue to make in the coming weeks can have a significant impact on their final outcomes and future opportunities. We would greatly appreciate your support in encouraging your child to attend these sessions as they provide valuable additional guidance, and help pupils consolidate and extend their learning.

If your child has been selected to attend afterschool intervention, they must attend. An individual timetable is printed and given to the pupils each Friday for the following week. If your child is not required to attend an intervention session but would find it beneficial, they are more than welcome to join in.

After school intervention sessions are as follows: -

Monday	Tuesday	Wednesday	Thursday	Friday
English – All pupils	Requests from options subjects	Maths – All pupils	No intervention	Requests from options subjects

**Y11 Parents’ Evening**

We encourage all parents / carers to attend the upcoming Parents’ Evening on **Thursday 5<sup>th</sup> March 2026 from 4:00pm to 6:30pm**. This will provide valuable opportunities to discuss your child’s progress with subject teachers. These conversations help identify strengths, areas for development, and ways you can support your child, ensuring they remain confident, motivated, and well prepared for their final examinations.
