Dear Parent / Carer,

Re: Year 11 Easter Intervention (REF: 0068-25SMC)

GCSE qualifications will shape your child’s future life chances and will be the biggest reward they can receive from their time in education. To support them in maximising their potential, please ensure your child attends school on time every day and attends any afterschool or holiday intervention sessions offered to them.

Staff have kindly given up their time over the Easter holiday to offer a range of focused Year 11 intervention sessions. These sessions will provide additional support to help them strengthen their knowledge and build confidence ahead of their GCSE exams. On Friday 20th March 2026, pupils will receive a personalised timetable showing which intervention sessions they should attend - **please discuss this personalised timetable with your child.**

Below is an overall intervention timetable.

Please note, food and refreshments are not provided.

For pupils that are attending an AM and PM session, we encouraged them to bring a packed lunch and refreshments. The AM session will break for lunch at 12:00pm and pupils should return for their PM session at 12:45pm. Pupils have the option to either bring a packed lunch or leave the school site to purchase their lunch. To leave site, we must have parental consent via the short form below.

Please click here to submit your child's attendance and provide consent, this is required by midnight on Sunday 29th March 2026.

Please note, we require all Year 11 parents / carers to complete the above form to help us plan the intervention sessions according to attendees. Completing this form will mean we do not need to contact you further for consent or attendance information.

Thank you for your continued support. If you have any further questions, please do not hesitate to contact me via main reception on 01325 380815 or by email smcgregor@longfield.nalp.org.uk

Yours sincerely,
